

HANDCRAFTED KNOBS

UK PRODUCT SPECIFICATION

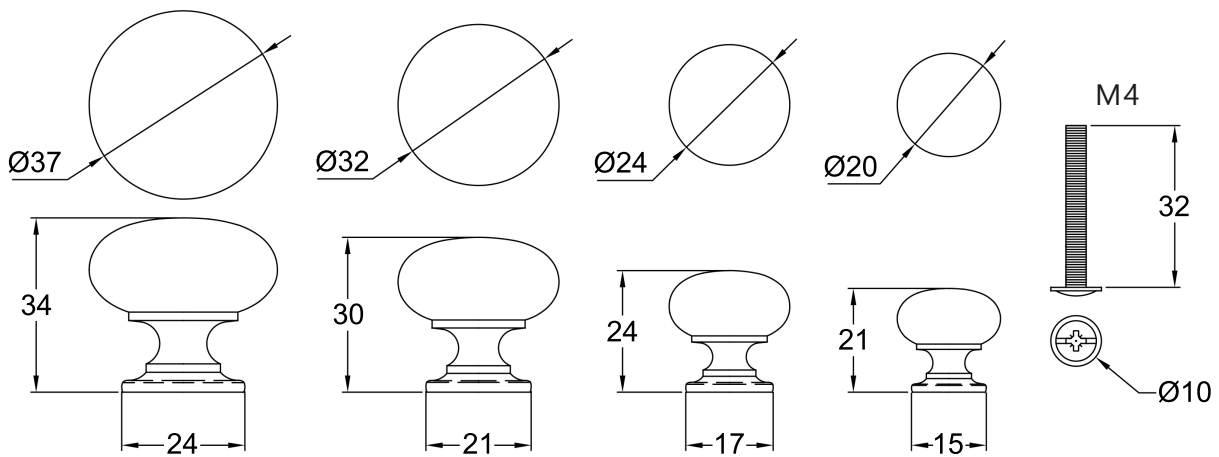

deVOL

deVOL Handcrafted Classic & Oval Knobs

- Our original knobs are available in a variety of living finishes which will change naturally over time and get better with use.
- We recommend that you order your knobs and handles all together in one batch to ensure they are perfectly matched as a set.
- All handcrafted knobs are supplied with an M4 machine screw which fixes into the base through the back of the cabinet door/drawer.
- These handles are handcrafted so the dimensions can vary slightly.
- Clean with mild soapy water and a soft towel. Harsh cleaners with bleach and scouring pads will scratch and damage the finish.
